**Interview**

Applicants and Applicants' representatives thank the Examiner for extending the courtesy of an interview on or about the week of January 21, 2008. Briefly, during the interview, all issues barring allowance of the present claims were discussed. Particularly, a set of claim amendments proposed by Applicants were reviewed by the Examiner and discussed. The Examiner indicated agreement that if the proposed amendments to the claims were submitted, they would address all outstanding rejections and place the claims in condition for allowance because the claims are now directed to encompass Examples 1-4, provided at pages 9-12 of the present specification. Therefore, pursuant thereto, Applicants submit herein the proposed claim amendments for entry into the record and consideration by the Examiner. Reconsideration and allowance thereof are respectfully requested.
